3	APPROVAL OF MINUTES The minutes of the meeting on 12 th July 2021 were not finalised so will be approved at the next meeting.	GS/SS
4	MARLBOROUGH AREA NEIGHBOURHOOD PLAN (MANP) The Councillors were pleased to see that the requested items had now been acknowledged/included in the MANP and, as such, agreed to accept the MANP in its amended form going forward to the Regulation 15 stage. It was also agreed that the onus was on the SPC Councillors to make their points regarding the road and footpaths when planning applications are submitted. The wording within the NP gives us something to refer to, to help make the case to Wiltshire Council for measures to be included within any consent for improvement works.	ALL
6	TRAFFIC MEASURES AT CLENCH COMMON The matter of speeding cars along the Clench Common road was discussed, the main problem times being before and after work and in particular school run traffic. It was agreed to contact the Schools and ask that they pass on our concerns to parents, we will also look to see if any signage could be installed to improve the situation. It is people who know the road who are causing the problem so signage may not be very effective.	NB, MP
